2018 FLORIDA STATE SEMINOLE SOFTBALL • 1981 & 1982 AIAW NATIONAL CHAMPIONS
OPENING DAY RECORD
Florida State raced out of the gates with an impressive 18-1 win in the season opener against Portland State on February 9.

The 18 runs easily topped the previous school record for runs scored on opening day, surpassing the 13 runs scored against Lipscomb (2017) and Samford (2007).

It also trails only the 20 runs scored against Bethune-Cookman on February 10, 2013, for the most runs scored in any game in FSU history.

AROUND THE HORN
The softball is often tossed around the infield after a strikeout, but the home run bat was tossed around the Seminole infield on opening day as each starting infielder hit a home run against Portland State on February 9.

Third baseman Jessie Warren started the barrage with a two-run home run in the second inning, while shortstop Cali Harrod (two-run) and second baseman Sydney Sherrill (two-run) each hit round-trippers in the third inning. First baseman Carsyn Gordon finished the circuit with a three-run home run in the fourth inning.

In total, the Seminole infielders have hit seven home runs so far in 2018.

YOU GET AN XBH, YOU GET AN XBH!
The Seminoles have had explosive production from up and down the lineup, and even off the bench so far in 2018.

Led by five extra-base hits each from Jessie Warren (three 2B, two HR) and Carsyn Gordon (two 2B, one 3B, two HR), there have been 11 FSU batters to record at least one extra-base hit this season.

In total, the Noles have 24 extra-base hits in 2018 with 11 doubles, six triples and seven home runs.

Only one Seminole player with multiple at-bats on the season has failed to record an extra-base hit.

FIRST HIT, FIRST HOME RUN
Freshman Sydney Sherrill started off her Seminole career with a bang, sending her first base hit while wearing the Garnet and Gold over the right field wall against Portland State on February 9. She is the first Seminole player to record a home run for their first base hit since Carsyn Gordon hit a grand slam against Florida A&M on February 24, 2016.

FSU RECORD WATCH
A pair of Seminoles have already created some of the best careers in FSU history as seniors Jessie Warren and Morgan Klaevemann are all over the Florida State Top 10 list in numerous categories.

Warren broke the school record in home runs in 2017, and currently has 64. Her 211 RBI ranks second behind only Maddie O’Brien’s total of 216 that she set from 2012-15.

Warren is also in the top 10 in runs scored (190 - fifth) and doubles (40 - sixth), while her current career batting average (.390) and slugging percentage (.825) would easily top the current FSU records of .366 and .645, respectively.

Defensively, Warren has tallied 415 assists at third base, which ranks sixth in school history.

Klaevemann’s 113 stolen bases already places her fourth on the all-time list and she ranks seventh in walks with 106. Her 168 runs scored are eighth-most in school history.

The senior centerfielder has a current batting average of .385, which trails Warren, but would also exceed the current Florida State record of .366 set by Shamalene Wilson from 1993-96.

ACC/NCAA RECORD WATCH
In addition to the Florida State record book, Jessie Warren and Morgan Klaevemann are already adding their names to the list of the best to ever play in the ACC, as well as the NCAA.

Through just three years, Warren is already among the Top 10 all-time in
the ACC in three different categories - home runs (64 - third), RBI (211 - third) and runs scored (190 - ninth).

Warren currently has a career slugging percentage of .825, which ranks 13th all-time in NCAA history. The senior has raised her slugging each year (.761/.765/.922) and is on pace to break the FSU record of .645 set by Maddie O’Brien from 2012-15.

Klaevemann is sliding into the ACC Top 10 in stolen bases as her 113 swiped bags ranks seventh in ACC history.

Both Warren (.390) and Klaevemann (.385) are on pace to etch their names into the top 10 in the ACC in career batting average, as the pair currently rank seventh and 10th, respectively.

ACC WINNING STREAKS
Florida State ended the 2017 season with a perfect 24-0 record in conference play and have won each of their last 26 games against ACC opponents, dating back to May 7, 2016.

The current 26-game winning streak is both the longest in FSU and conference history, passing the streak the Noles put together from 2001 to 2004, back when there were only four member schools that participated in softball.

ACC CONTROL
The Seminoles have been the elite team in the Atlantic Coast Conference for several years. Since the conference added softball in 1992, Florida State has won 15 of the 27 ACC Championships, including a shared title with Maryland in 1997.

The Noles have earned the regular season conference title in each of the last five seasons and earned ACC Championships in 2014, 2015, 2016 and 2017. FSU holds the top four win totals in the regular season versus conference opponents, tallying 24 ACC victories in 2014 and 2017, 21 in 2016 and 20 in 2015.

Florida State is unbeaten in its last 41 conference series, posting a 37-0-4 mark against ACC foes, including 31 sweeps. Over that span, FSU posted a 1-1 series split versus Virginia Tech (2014), at Notre Dame (2014), at Louisville (2015) and at Notre Dame (2016).

The Seminoles are 107-10 in their last 117 ACC regular season games (.915%) and last lost a conference series at Maryland on May 5-6, 2012.

WATCH OUT!
Heading into the 2018 season, senior Jessie Warren and redshirt junior Meghan King were named to the Top 50 Watch List for the USA Softball Collegiate Player of the Year.

It marks the fifth season in a row Florida State placed a student-athlete on the preseason watch list as they joined Warre, Jessica Burroughs and Alex Powers in 2017, Burroughs in 2016, Lacey Waldrop and Maddie O’Brien in 2015 and Waldrop in 2014.

Waldrop won the award in 2014 after leading the NCAA with 38 wins and finished third nationally with a 1.13 ERA. Florida State was the first school in the nation with multiple winners of the USA Softball Player of the Year award, as Jessica van der Linden was given the national award in 2004.

ACC PRESEASON FAVORITE
For the fifth consecutive season, Florida State has been chosen as the preseason favorite to win the ACC regular season championship, as voted on by the league’s 12 coaches.

FSU earned 121 points and all 11 of the eligible first-place votes, as teams were not allowed to vote for themselves.

North Carolina (105 points) and Notre Dame (97) also finished in the top three of voting.

TRIO OF ALL-AMERICANS
For the second year in a row, the Florida State softball team will have three active members who have previously earned NFCA All-American honors.

Jessie Warren (First Team) and Morgan Klaevemann (Second Team) each were recognized by the NFCA in 2017, while Kylee Hanson comes to FSU after being named an NFCA Second Team All-American in 2016 with Florida Atlantic.

FRESH FACES
The Seminoles return 16 players from the 2017 season and welcome six newcomers who will wear the Garnet and Gold for the first time in 2018.

A five-member freshman class is highlighted by Sydney Sherrill (Moore, Okla.) who is a member of the USA Junior National Team. Rock Benavides (Corpus Christi, Texas) and Savanna Copeland (Fishers, Ind.) each decided to make quite the trip from home to go to school in Tallahassee, while Madison Kennedy (Baker County, Fla.) and Mackenzie Puckett (Cairo, Ga.) are going to school much closer to home.

Kylee Hanson (Jupiter, Fla.) is a redshirt senior pitcher that will be playing her only season at FSU in 2018. Building an impressive three-year career at Florida Atlantic from 2014-16, including earning NFCA All-American honors in 2016, her 2017 season was ended in the second week of games due to an injury. Graduating from FAU allowed Hanson to continue her education and pursue a master’s degree in Public Health while competing in her final year of NCAA eligibility.

FIVE IN A ROW!
Florida State has been the ACC regular season champion for each of the last five seasons after finishing with the best conference winning percentage in 2013, 2014, 2015, 2016 and 2017.

It was the first time that any school in the ACC has won five straight regular season titles, passing FSU’s four-year streaks from 1992-95 and again from 2001-04.

No other school in the conference has won the regular season title even four times in a row and Georgia Tech is the only other ACC school to secure three consecutive conference championships, as the Jackets earned regular season titles in 2009-11.
FAMILY - When you play softball at Florida State, you don’t just play for a team, you play for a family. Each person cares for their teammates as if they were a sister, committing to each other through thick and thin. As members of an extended softball family, each one motivates the other and enjoys seeing them succeed. When issues arise, communication is key and allows for a loving relationship that creates a bond that results in an entire team of student-athletes fighting for each other, both on and off the field to be the best they can be.

SMART - Being smart, in a wide variety of disciplines, is a cornerstone of the Florida State softball program. In school, it allows you to achieve a degree and plan for a future after softball. At practice, it means training with a purpose, honing your skills and gaining experience by not just going through the motions. In the game, it means having a plan at plate offensively or a pitching and defensive shift plan for opposing hitters based on various scouting reports. Off the field, it means making wise decisions with time management and other activities to be able to be at your best.

AGGRESSIVE - You aren’t just given things in life, you must aggressively pursue your dreams in order to achieve them. Being aggressive means taking that extra base on a ball in the gap, stealing second when you need to get a runner into scoring position, heading to your teacher's office hours to talk about things you may not have understood in class, going after a hitter with your best pitch in the best location and challenging yourself to become the best you can be because you are passionate about helping the team succeed.

COMPETITIVE - A team-based sport is one of the most competitive dynamic there is in life. To be successful, you need to be competitive in many areas. We strive to be competitive on the field, winning individual games, along with conference and national championships. We are competitive with each other on the team, knowing that we make each other better as each one raises their level of skill and accomplishments. We are also competitive off the field, in the classroom and in the workforce as there are many who would seek to be where we are, but only few will attain it.

COMMITTED - The previous four core values mean nothing unless everyone is committed to it. Obstacles and challenges will come up. Losses on the field and issues off of it will occur and cause problems that will need to be addressed. But when we are committed - to each other, to the team, to the goals that have been set - very little can disrupt our goals and pursuits. A unified force with a united passion is very difficult to stop and our commitment to the vision and the process will enable us to be successful.

Core Values Shape Culture
- The Seminole Softball team has incorporated these values into all areas of team life, both on and off the field.
- Each fall since 2015, FSU experienced "The Program", a two-day boot camp event where the team worked on communication, problem solving, endurance, perseverance, paying attention to details and teamwork while accomplishing tasks on the field, at a pool, on the beach, in the woods, among others.
- Each year, the team has been able to build trust within the team by attaining goals and going through the physical and mental adversity that The Program imposes on them as a collective team and unit.
- The Seminoles also start each game and practice at "The GATE", which at JoAnne Graf Field is a physical gate, but it helps to focus on being present for the team, allowing outside distractions to stay outside and to “Give your All to the Team Everyday.”
“PLAY FOR THOSE WHO CAN’T”

One of the foundational principles that Florida State softball is built on is, “Play for those who can’t.” The Seminoles have displayed that throughout the years, including recently with people like Taylor Foster, Madison Marshall and Monk Bonasorte.

Taylor Foster became part of the FSU family in 2013 through a connection with the ACC, and despite growing up in North Carolina, dreamed of playing softball for the Seminoles. Foster was diagnosed with bone cancer in at the age of 13 and her passion and enthusiasm in the face of such adversity never faltered. The Noles would routinely stop by to see Taylor and her family when playing NC area schools and the players and coaches would often keep touch via calls, texts and video chats. After her passing in April of 2014, an annual memorial tournament and camp was started and organized by FSU softball players, coaches and support staff for youth in North Carolina to share Taylor’s passion for the game and tell of her legacy.

In 2016, and through a partnership with The Friends of Jaclyn Foundation, FSU softball adopted Madison Marshall who had been diagnosed with a brain tumor in 2014 at the age of 14. The Friends of Jaclyn Foundation was created in 2005 and pairs children with pediatric brain tumors with collegiate sports teams, as they have seen the symbiotic relationships that are formed help both the child going through such a difficult situation, but also the teams that are able to come along side a family and help them fight and learn a new appreciation and perspective on life.

Monk Bonasorte, one of the main FSU athletic administrators responsible for hiring Lonni Alameda as head coach in the fall of 2008, had played football at FSU in the late 70s, and was voted into the FSU Athletics Hall of Fame in 1995. As a result, he bled Garnet and Gold and became a significant supporter of FSU softball, as well as all of the other sports on campus. In October of 2015, Bonasorte was diagnosed with brain cancer, yet never wavered in his passion for FSU and life. Right up to his passing in November of 2016, he continued to give his life to this university and be an example of the Florida State “Unconquered” spirit.

In 2017, the Lonni Alameda Softball Camps began the Monk Bonasorte Camp (Camp MB42), where the young players in attendance not only learn about the skills of softball, but also about life and who Monk was, what he meant to Florida State and how he battled through such adversity. All of the proceeds of the annual camp go to the FSU Monk Bonasorte Scholarship, and to date, the camp has raised over $8,500.

There are numerous other relationships that have been formed over the years with young fans like Amber Howard and Maddie Briscoe, and even former players such as Dana Bailey that have battled cancer, the FSU players and staff know that there is much more to life than just this game. Though several are now gone, they are certainly not forgotten and remain a significant part of Seminole softball to this day.
